## INGREDIENTS

- 2 shots tequila, chilled
- 1 shot lime juice, chilled
- 1 shot triple sec, chilled

## FEATURING

## HOW TO MAKE

### DIRECTIONS

- Rub the edge of a chilled wide brimmed heavy bottom glass with the inside of a cut lime to moisten then dip the edge of the glass into the Tostitos chips to create a Tostitos rim (laying the Tostitos out on a plate or wide bowl will help with this process).
- Add tequila, triple sec, lime juice, and ice to a separate mixing glass and stir for 30 seconds to a minute until the drink is ice cold.
- Add ice into the rimmed glass and strain the drink on top, garnish with a lime wheel, and put the opened corona upside down in the glass, serve immediately with a straw.
